

MOUNTAIN STATES STOCKDOG ASSOCIATION

To prospective sponsor:

We are excited to begin planning our Finals for 2016. We have an exciting event planned for our handlers and spectators and are currently looking for both individual, business and corporate sponsors! There are opportunities to sponsor one of our amazing awards or monetary sponsorship opportunities both big and small to make this the best possible Finals that we can. We will be expecting handlers from all over the Western United States and expect it to be a fun week of excellent dog and stock handling.

The awards to be given to our handlers include customized shotguns, belt buckles and customize Bronze statues. Mill Iron S Ranch is one of our major sponsors with the donation of ALL the cattle for our event. Our finals will take place over 4 days of competitive cattedog trials, exhibitions, booths and activities in July 2016. The town of Grace Idaho is excited about being our host town this year and we look forward to a busy and exciting Finals!

MSSA was established to promote the working stockdog in all of the Western mountain states and Canada. We are a collective of ranchers, dog handlers, trainers and hobbyists coming together to trial, train, and improve our dogs' and our own stock handling capabilities! Mountain States Stockdog Association hosts and promotes stockdog trials and training clinics throughout the western mountain states. Our goal is to encourage the use of skilled working stockdogs in all aspects of ranching, as well as create trials in which to compete with our dogs and create relationships with other dog handlers!

We support a family friendly atmosphere at all of our sanctioned events and want all to feel welcome and appreciated. The MSSA strives to create a feeling of comradery among handlers, encouragement and fun. We want all handlers and dogs regardless of skill or experience – to enjoy, learn, and improve with each clinic and trial! Currently we have over 100 members from 9 states and Canada and our association is continuing to rapidly grow and expand.

We look forward to potentially having you as one of our sponsors, be it major or minor! We would proudly display your logo and/or information on our website, Facebook page, and Finals catalog. We would also like to hang a banner at our Finals Event in July. All sponsors are also invited to attend our handlers banquet to personally connect with our handlers and Board of Directors.

Please do not hesitate to contact our office directly with any questions about sponsorship opportunities or with any questions you may have. We would love to work with you and help to make you a part of our Finals for 2016!

Thank you for your time and consideration of being a part of our association!
