

**ARIZONA
NATIONAL**
Livestock Show

1st Annual **CATTLED OG TRIALS**

The question is...if you were already one of the nation's premier livestock shows, drawing some of the top competitors from over 33 states, what would be your next step? We agree... it's time to add a Cattledog Trial to the mix.

Our annual tradition, since 1948, to host the largest livestock show in the Southwest will now also host cattledog trials sanctioned by the

National Cattledog Association and Mountain States Stockdog Association

**OPEN TO THE FIRST 30 OPEN DOGS
AND 20 NURSERY DOGS**

December 30 & 31
