

Greetings,

We are excited to host the first annual Stone Ranch Cattledog Trial September 23-25!

The trial will take place at our ranch, NE of Beach, ND, in the corrals we use for most of our own cattle work.

The trials are sanctioned with the National Cattledog Association and the Mountain States Stockdog Association.

Yearling bred heifers will be furnished.

Several practical work scenarios & obstacles will be set up for all the classes.

To clarify the Horseback Class:

1. Any NCA or MSSA member can enter this class
2. It is a stand alone class
3. For MSSA members you will get points for your class status.

You are welcome to camp near the corrals.

Dry Creek Hideaway is 13 miles away and is a nice clean quiet place to stay
